Term Fall 2012

Dear Piter,

It is my pleasure to offer you admission for a Master of Science in Computer Science at Polytechnic Institute of New York University.

The Fall 2012 class is turning out to be our strongest ever. You and your future classmates have demonstrated the academic ability and extracurricular credentials that will support success in NYU-Poly's Graduate School. The Graduate Admissions Committee is confident you are well prepared to make important contributions to your field and further the Institute's quest of pursuing "ideas with impact".

As a NYU-Poly graduate student, you will discover the tools, resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our revolutionary i2e philosophy, which is founded on invention, innovation and entrepreneurship. i2e fosters a progressive environment where students and faculty share a passion for the creation and execution of big ideas.
- A curriculum that will develop your technical knowledge and introduce new insights in your area of specialty, preparing you for vertical and lateral career mobility.
- A diverse environment for academic collaboration. NYU is a global network university with portal campuses in multiple international academic centers. You will have the opportunity to interact with students from around the world.

Additional information regarding the conditions that apply to this offer follow in the next pages.

Piter, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to the institute's life and mission. Welcome to NYU-Poly's Graduate School!

Sincerely,

Barbara Hall
Associate Provost for Enrollment Services

Sincerely,
